Siting Board Staff's Proposed Amendments to the Tentative Decision
August 24, 2026

Page	Line	Amendment
12	6	Replace “the span of each structure between the shield wire and the conductors” with “the distance between the shield wire and the conductors at each structure.”
17	16	Delete the word “vertical.”
18	10	Delete the phrase “between energized conductors and” because it is repeated twice.
19	6	replace the word “a” with “an additional.”
32	18	After the sentence beginning “The Company confirmed with NHESP”, add “To mitigate the impact of this take, the Company would collect seeds, spread them, and monitor the establishment of a new host plant community (Exh. EFSB-LU-4(S)). The Company was able to avoid the take of another plant species by relocating one of the Replacement Line structures in coordination with NHESP (Exh. EFSB-LU-4(S)).”
40	2	Add “requiring special access considerations” before “during construction.”
